UNIT OUTLINE

PC097-503 & 703, Guided Spiritual Formation B

Description	<p>Guided Spiritual Formation (GSF) at Malyon is central to our commitment to <i>form faithful image-bearers of Christ</i>. Such formation is the work of a lifetime but its inclusion during study for an academic award recognises that knowledge alone cannot enable us to fully <i>serve the church, engage our culture or carry out our commitment to the mission of God in his world</i>. We must not only <i>know about</i> God but also deepen and strengthen our <i>relationship with him</i>.</p> <p>Accordingly, we seek to become those whose lives are growing in Christlikeness as we integrate all that we learn with our personal discipleship. In GSF we aim to provide resources, promote reflection and establish habits which enable ongoing personal formation, and health and sustainability in ministry.</p> <p>There are four overlapping areas across which spiritual and personal formation occur and which shape the focus of the two semesters (two parts per semester) of GSF at Malyon. Formation in relationship with God (foundations of spiritual formation), self, others, and in and for ministry.</p>
